## Mission

Somos Familia Valle is a local LGBTQ+ community organization dedicated to support, empower, and mobilize families, and allies for racial, gender, and economic justice.

## Values

We organize for intersectional LGBTQ+ liberation through transformative dialogue, advocacy, and civic engagement. We promote LGBTQ+-affirming homes, safer schools, and healthier communities through our values: a commitment to being our authentic selves, education, empowerment, and wellness.

# FROM GRASSROOTS BEGINNINGS TO 11 YEARS OF IMPACT

## History

Somos Familia Valle was founded on September 6, 2014, with a vision to empower and unite the LGBTQ+ community in the San Fernando Valley. Just one month later, on October 12, 2014, the organization made a groundbreaking launch by hosting the first-ever San Fernando Valley Pride March and Conference in Panorama City. The theme of the event, "COMING OUT OF THE SHADOWS," symbolized a significant milestone in the community's journey towards visibility and acceptance. This historic gathering marked the beginning of a grassroots movement, led by passionate volunteers, dedicated to advocating for LGBTQ+ rights and fostering a sense of belonging for all residents of the 818 area code.

## 2024 & 2025 Milestones

We are delighted to announce the ongoing success of our iconic annual event, San Fernando Valley Pride. After a decade of dedicated efforts in the San Fernando Valley region, we achieved a significant milestone by inaugurating the San Fernando Valley LGBTQ+ Center in Sun Valley during Pride Month. This remarkable achievement was made possible through the invaluable support of our partners and community. With our new space we were able to bring back weekly programming and support groups.
